Letter to Our Customers

Dear Valued Customer,

Over the past few years, Esseco USA has received a significant increase in the number of questionnaires, surveys, and document requests from our customers.

Most of these requests focus on the same product, manufacturing, quality, and safety issues.

Moving forward, we will be unable to complete each customer's specific documentation requests.

In order to respond to all of these varied types of requests, Esseco USA has generated a comprehensive product specific Data Package (Data Pack) that will provide most if not all of the requested information.

We are confident that this Data Pack will ensure that consistent information is provided in a timely and efficient manner. The Data Pack is updated annually to ensure all data is accurate, and additionally the Data Pack will be updated in reaction to major regulatory changes.

Sincerely

Esseco USA Technical Services

All statements, information, and data given herein are believed to be accurate and reliable but are presented without guaranty, warranty, or responsibility of any kind, express or implied. Statements or suggestions concerning possible use of our products are made without representation or warranty that any such use is free of patent infringement, and are not recommendations to infringe any patent. The user should not assume that all safety measures are indicated or that other measures may not be required. All suggestions made herein are intended for use by persons having requisite knowledge and skill, and are to be utilized at their own risk. Esseco USA assumes no responsibility for this information, and potential purchasers waive all claims they may have and agree to indemnify and hold harmless Esseco USA from any claims or damages they may later allege relative to their reliance upon these suggestions.

General

Product

Name	Potassium Carbonate Food Grade
Code	1KC03E

Supplier

Name	Esseco USA
Address	4 Gatehall Drive, Parsippany, NJ 07054
Phone	973-267-3330
Internet	https://www.essecousa.com/

Manufacturer

Name	Altair Chemical Srl.
Address	Via delle Moie Vecchie 13, Saline, Pisa 56040, Italy
Phone	+39 0588 9811
Internet	https://www.altairchimica.com/en
Country of Origin	Italy

Products Details

Product References

- CAS No. (Chemical Abstracts Service): 584-08-7
- EC No. (European Inventory of Existing Commercial Chemical Substances): 209-529-3
- E No. (EU number for additives): E501
- REACH (Registration, Evaluation, Authorization of Chemicals): registration number 01-2119532646-36-0010

Storage

- Store the product in a dry and well ventilated location.
- Shelf-life is 4 years from date of manufacture when stored in original container

Compliance

- Regulation (EU) No 231/2012 (food additives)
- Food Chemicals Codex(FCC) XII
- The potassium carbonate sold by Essecos USA is not included in the December 18, 2020 listing of chemicals known to the state of California to cause cancer or birth defects or other reproductive harm.

Packaging

- The packaging used for the Food grade of Potassium Carbonate sold by Essecos USA is suitable for food contact.
- All the Potassium Carbonate sold by Essecos USA is produced by Altair Chimica in Italy and is packaged on pallets that have been heat treated and made from European wood. No fungicides including 2,4,6 tribromophenol (TBP) or 2,4,6 trichlorophenol (TCP) are used on any pallets for this product.
- All the Potassium Carbonate that is sold in 25 kg bags by Essecos USA has gone through a metal detection device when it was packaged by Altair in Saline, Italy.

Residual

- The Food grade of Potassium Carbonate sold by Essecos USA does not contain any of the solvents listed in the United States Pharmacopeia general chapter <467> (Class 1, Class 2, Class 3, or other Table 4), the European Pharmacopeia, or the International Conference on Harmonization of Technical Requirements for Registration of Pharmaceuticals for Human Consumption (ICH) Residual Solvent (OVI) Lists. In addition, it does not contain any other organic solvents.

BSE/TSE/GMO

- This is to certify that Food grade Potassium Carbonate sold by Essecos USA does not contain any materials that are of organic or animal origin. In addition, it does not come in contact with materials of organic or animal origin in its manufacture. Therefore, it is BSE / TSE compliant and contains no Genetically Modified Organisms (GMO's).

Composition

Component	Percent	CAS Number
Potassium Carbonate	99.6	584-08-7
Potassium Hydroxide	0.1	1310-58-3
Water	0.3	7732-18-5
Total:	100.0	

Manufacturing

Site Information

- Size of Site 2,100,000 sq ft
- Total Employees 93
- Production Staff 47
- Quality Unit Staff 6
- Quality Assurance Staff 5

Process

- The Food grade Potassium Carbonate is manufactured using a synthetic process.
- This is a continuous process in a closed and dedicated plant.
- The raw materials of carbon dioxide, methane, air, and KOH solution are reacted and dried.
- The crystalline product is separated by spray dryer reactor, screened, and packaged.
- The process is controlled by an automatic system with periodic testing and adjustments performed by the operators.
- The product is packaged in a closed and dedicated line, equipped with a metal detector.

Manufacturing Information

- The product is not treated with ionizing radiation during the production process and is not treated with any ingredient treated with ionizing radiation.
- The product is manufactured using current Good Manufacturing Practices (cGMP).

Quality System

- The plant maintains a FSSC 22000 Certification from Global Food Safety Initiative(GFSI).
- The plant maintains an ISO 9001:2015 Certification.
- The plant has an FDA registration number of 13071011806.

Lot Numbering System

- Lot Number Format: 1xxxxxx-yy-aaaaarr
 - xxxxxx is the customer code in customer management system
 - yy is the last two digits of the year of purchase
 - aaaaaa is the purchase confirmation number in customer management system
 - rrr is the purchase confirmation line in customer management system

Products Not Used in Manufacturing of Product

The Food grade Potassium Carbonate sold by Essec USA does not contain and hasn't been in contact with the following:

- Bioengineered Ingredients (GMOs)
- Glyphosate
- Melamine
- Palm Oil
- Pesticides
- Residual Solvents (US & Europe Pharmacopeia Listings)
- Sewage Sludge
- Soy

Additional Site Information

- Pest activity on site is checked 12 times per year.

Food Information

Food Information

- The Food grade Potassium Carbonate sold by Esseco USA is a substance that is generally recognized as safe (GRAS) per Title 21 of the Code of Federal Regulations Part 184.1619 (2020).
- The product is in compliance with all Kosher requirements.
- The product is in compliance with all Halal requirements.
- The product does not contain any ingredients of animal origin or alcohol. Furthermore we can exclude any risk of environmental contamination during manufacture, filling, packing, transportation and storage.
- This product is not tested on animals.

Diet Suitability

The product is suitable for:

- Vegans
- Lacto / Ovo-lacto vegetarians
- Diabetics
- Lactose intolerants
- Celiacs

Microbiological

The Potassium Carbonate sold by Esseco USA has been tested and does not contain microbiological hazards. Retesting is done on an annual basis.

MANAGEMENT SYSTEM CERTIFICATE

Certificate no.:
C682025

Initial certification date:
28 March 2001
(by different Certification body)

Valid:
13 October 2024 – 12 October 2027

This is to certify that the management system of

ALTAIR CHEMICAL S.r.l.

Via Mario Massari, 30/32 - 28886 Pieve Vergonte (VB) - Italy

has been found to conform to the Quality Management System standard:

ISO 9001:2015

This certificate is valid for the following scope:

Production and sale of potassium hydroxide solution and sodium hydroxide solution by membrane electrolysis plant, of sodium hypochlorite solution, hydrochloric acid solution and chlorinated toluene derivatives (IAF 12)

Place and date:
Vimercate (MB), 05 July 2024

SGQ N° 003 A
SGA N° 003 D
SGE N° 007 M
SCR N° 004 F

EMAS N° 009 P
PRD N° 003 B
PRS N° 094 C
SSI N° 002 G

Membro di MLA EA per gli schemi di accreditamento
SGQ, SGA, PRD, PRS, ISP, GIG, LAB e LAT, di MLA IAF
per gli schemi di accreditamento SGQ, SGA, SSI, FSM
e PRD e di MRA ILAC per gli schemi di accreditamento
LAB, MED, LAT e ISP

ALLERGENS STATEMENT

This is to certify that the Food grade of potassium carbonate sold by Esseco USA does not contain any of the following known allergens:

Artificial Sweeteners
Celery
Colorants
Dyes
Egg or Egg Products
Fish or Fish Products
Gluten (Wheat, Barley, Rye, or Oats)
Lactose
Latex
Lupin
Milk or Milk Products
Monosodium Glutamate (MSG)
Mustard (or its derivatives)
Peanuts or Peanut Products
Preservatives
Seeds or Seed Products (Buckwheat, Cotton, Poppy, Sesame, or Sunflower)
Shellfish (Crustacean or Molluscan) or Shellfish Products
Soy, Soybeans, or Soybean Products
Sulfiting Agents
Tree Nuts or Nut Products (Almond, Brazil, Cashew, Coconut, Hazelnut, Macadamia, Pecan, Pine, Pistachio, or Walnut)
Wheat or Wheat Products

MANAGEMENT SYSTEM CERTIFICATE

Certificate no.:
146682-2013-FSMS-ITA-RvA

Initial certification date:
09 December 2013

Valid:
27 December 2022 – 09 December 2025

This is to certify that the management system of

ALTAIR CHIMICA S.p.A.

Via Moie Vecchie, 13 - 56048 Saline di Volterra (PI) - Italy

has been assessed and determined to comply with the requirements of

FOOD SAFETY SYSTEM CERTIFICATION 22000

Certification scheme for food safety management systems consisting of the following elements:
ISO 22000:2018, ISO/TS 22002-1:2009 and additional FSSC 22000 requirements (Version 5.1).

This certificate is applicable for the scope of:

Production of food and feed additives: granulate potassium carbonate min 84% (E501), potassium carbonate solution min 30% (E501), Hydrochloric acid min 32% (E507), liquid potash hydroxide min 30% (E525), flake potash hydroxide min 92% (E525), Sodium hydroxide solution min 30% (E524) packed in 25kg plastic bags, big bags, 1000l IBC or bulk in tank. Category K

The certification system consists of a minimum annual audit of the food safety management systems and a minimum annual verification of the PRP elements and additional requirements as included in the scheme and applicable technical specification for sector PRPs. Validity of this certificate can be verified in the FSSC 22000 database of certified organizations available on www.fssc22000.com.

Date of Certification Decision:

27 December 2022

Place and date:

Barendrecht, 28 December 2022

For the issuing office:

**DNV - Business Assurance

TO WHOM IT MAY CONCERN

Thank you for your recent inquiry about our compliance with the FDA regulations related to the Public Health Security and Bioterrorism Preparedness and Response Act of 2002 (The Bioterrorism Act).

The events of September 11, 2001, highlighted the need to enhance the security of the infrastructure of the United States, including the food supply. Congress responded by enacting the Bioterrorism Act (Public Law 107-188), which was signed into law on June 12, 2002. The Bioterrorism Act includes a provision in Title III (Protecting Safety and Security of Food and Drug Supply), Subtitle A – Protection of Food Supply, Section 305, which requires the Secretary of Health and Human Services to develop a regulation to require domestic and foreign facilities that manufacture, process, pack, or hold food for consumption in the United States to register with FDA by December 12, 2003. Esseco USA LLC is in full compliance with Section 305.

The Bioterrorism Act also includes a provision in Title III (Protecting Safety and Security of Food and Drug Supply), Subtitle A – Protection of Food Supply, Section 307, which requires the Secretary of Health and Human Services to develop a regulation to require that FDA receive prior notice for food imported or offered for import into the United States. Esseco USA LLC is in full compliance with Section 307.

Finally, The Bioterrorism Act includes a provision in Title III (Protecting Safety and Security of Food and Drug Supply), Subtitle A – Protection of Food Supply, Section 306, which requires the Secretary of Health and Human Services to develop a regulation to establish recordkeeping requirements for persons (excluding farms and restaurants) who manufacture, process, pack, transport, distribute, receive, hold, or import food to establish and maintain food records. Esseco USA LLC is in full compliance with Section 306.

WE HEREBY CERTIFY THAT OUR COMPANY HAS RECEIVED A REGISTRATION NUMBER FROM THE U.S.FDA REGISTRATION OF FOOD FACILITIES AND COMPLIES WITH THE BIOTERRORISM ACT OF 2002.

Organic Statement

Product: Potassium Carbonate

To Whom it May Concern:

We hereby declare that Potassium Carbonate sold by Esseco USA is not organic.

This information is accurate to the best of our knowledge at the time of this writing. It should, therefore, not be construed as guaranteeing specific properties. Because regulations and laws are continually being revised, the status of the aforementioned product could eventually change. We do not perform routine analytical testing to detect the presence of contaminants. The buyers or users are responsible for ensuring that the products they use, as supplied by us, are appropriate for and comply with the specific requirements of their intended application.

We hope that this information is useful to you. If you have any questions or require additional information, please feel free to contact us.

Sincerely,

Mina Abdelmalek
